

## Free, back-to-school reading fun!

Dear parents,

Your child is in the process of discovering the world of letters, reading and writing. Your child must find books that they like if they are to enjoy learning to read. The Bochum City Library has a wide range of books for this purpose.

Your child visited the library today with their class and has already found a book or two that they would like to borrow, but they will need a library card to be able to borrow books.

The library card is free for children and young people under the age of 18!

Bring your child along to the library and get them registered! Please bring your ID and proof of address. Get to know the library during this outing with your child, as well as all the free films, games, 'Tonies', console games, teaching software, magazines, audiobooks and CDs it has to offer in addition to books.

We look forward to seeing you!

Your Bochum City Library
